#### ALEX'S STORY

“The reason I chose Sheridan was because they had a really high employment rate after graduation. I think that’s probably because of their co-op program. Learning in the field helps students prepare for what comes after graduation.”

Park says she'll be extra prepared for joining the workforce. “The tech industry changes so fast, and Sheridan is managing to keep up. Some schools are teaching very old technologies. Sheridan teaches those too, but balances them with the latest technologies...So whatever I'm faced with on the job, I'll be able to use.”

## In the cities

*As a Sheridan student in the ever-vibrant Greater Toronto Area, you can find and do whatever makes your world turn, from nature explorations to night life, world-class festivals to local treasures.*

### BRAMPTON: BEAUTY INSIDE AND OUT

Brampton is fast becoming known as a creative and cultural hub in the Greater Toronto Area. Young and diverse, Brampton boasts 175 ethnic backgrounds and a great mix of restaurants, boutiques and festivals. With plenty of lakes, parks and 267 km of trails, there are also hundreds of reasons to get outside.

### MISSISSAUGA: LAKESIDE LIVING

Canada's sixth-largest city is also one of its most intriguing. Located on the shores of Lake Ontario, Mississauga offers beaches, marinas, parklands and trails for all kinds of outdoor fun. It's also a great place for arts, with galleries including the Gallery for Emerging Young Artists. Other highlights include free concerts in Celebration Square and the Festival of Cultures, which is the largest multicultural festival in Ontario.

### OAKVILLE: CHARACTER AND CHARM

Oakville is 30 minutes from downtown Toronto and only an hour's drive from Niagara Falls. It's an appealing place, from the old-world feel of downtown to multicultural Kerr Village to the waterfront Village of Bronte. Restaurants, cafés and galleries fill the downtown core, which also hosts the Oakville Jazz Festival during the summer.
