RESIDENCY

"an important factor for your success in your studies"

Academic Success

Staying in university residencies leads to greater academic success. Observations also reveal that students residing in residencies are more study focused. The RDU residency provides students with comfortable, spacious and functional rooms.

Safe and Secure Environment

The RDU dormitory is kept under 24-hour CCTV surveillance. The dormitory is located at the heart of the capital city of Nicosia which has a safe and student friendly environment. The RDU residency is within 15-20 minutes walking distance from the main Campus.

Budget Friendly

The RDU residency besides its relatively low cost, includes free internet connection (Wi-Fi), air-conditioning, HD LCD TV, and transportation. Each room self contained and equipped with a catering unit, allowing students to cook for themselves.

Cultural and Social Life

The RDU residency with its multi-cultural environment provides students with the opportunity to expand their awareness of other cultures. The dormitory is also in close proximity to various services, eg. shopping, health care, social and sports facilities.
