

RECTOR PROF. HASAN ALI BICAK WELCOMES YOU TO RAUF DENKTAS UNIVERSITY

It is a great pleasure for me to welcome you to Rauf Denktas University (RDU). RDU is a very young, yet a university that offers high quality education with an emphasis on international employability. This is achieved through academically and professionally qualified multi national academic staff, very impressive premises, outstanding facilities and a well designed curriculum.

Each program enables students to acquire the culture, values, economies and legal aspects of the countries intended for employment through a carefully structured curriculum and courses.

At our University in North Cyprus, I am sure you will enjoy studying as well as participating in student clubs and extra curricular activities where you will develop your team work and leadership competencies. The quality of all our endeavours is assured by the name of our leader Rauf Denktas, as well as the internal quality assurance processes implemented.

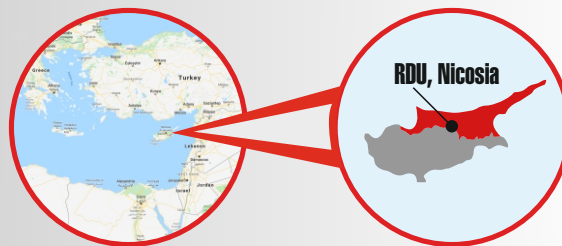

RDU CARES ABOUT ITS STUDENTS

Academic advising, student counselling and health services are available at all times and are easily accessible.

Upon request, the international office keeps the parents updated about the student's well being, academic performance and attendance to lectures.

We offer student - centred education where learning is our priority.

Students' views and suggestions are of vital importance to us. Students are consulted through various means such as surveys, focus group discussions and participating in social media and academic meetings related to student affairs.

LIVING IN NORTH CYPRUS

North Cyprus is an ideal place to study and here are some of the reasons why a student should choose RDU and North Cyprus:

- High quality education at reasonable fees.
- Excellent academic and social facilities.
- English medium instruction for an international career .
- Multinational and multicultural environment.
- Safe environment, pleasant climate.

Our International Office staff will meet you at the Ercan Airport of North Cyprus upon your arrival if you could let us know at least 3 days before your arrival. International Office will organize an orientation program through which students will be introduced to the rules and regulations of the University and the relevant laws of the country. Furthermore, you will be familiarized to close environment of the University as well as the main cities through a guided tour. This will also enable you to meet and develop good relations with your classmates.

Students are also provided with free local sim cards, so that they can immediately contact their families upon arrival.
