

# A F International

## *Your English Schools in Southern California*

Since 1995, **A F International College** and **A F International School of Languages Inc.** have been offering high quality English language programs to students from all over the world. Both institutes are **accredited by CEA** and approved by **SEVIS to issue Form I-20 for the F-1 Student Visa.**

Our courses focus on the most important **four language skills**: reading, writing, listening and speaking. Our teachers' qualifications include university degrees and a minimum number of years of teaching experience. Together with our staff they provide an open and friendly environment that encourages academic learning and individual progress.

We offer programs for six, 18 and 24 hours per week. Students also have many opportunities to practice English outside of class. While the curriculum is identical in both locations, there is a difference in the number of student permitted per class. In Los Angeles, the **maximum enrollment** is 15 students per classroom, in Westlake Village, it is four students.

Our program is divided into **six levels**:

- Beginning
- Low Intermediate
- Intermediate
- High Intermediate
- Advanced
- TOEFL

Each **session** is four weeks long, and three sessions comprise a **level**.

After completion of the English program, students can register into our TOEFL program and after reaching a specific TOEFL result they can transfer to a two year American college or an American University. We have mutual understanding agreements signed with a number of 2-year colleges and 4-year universities throughout the United States that agree to accept our graduates **without a TOEFL** score.

### **PROGRAM STARTING DATES**

Every Monday.
