

# Explore the wider world

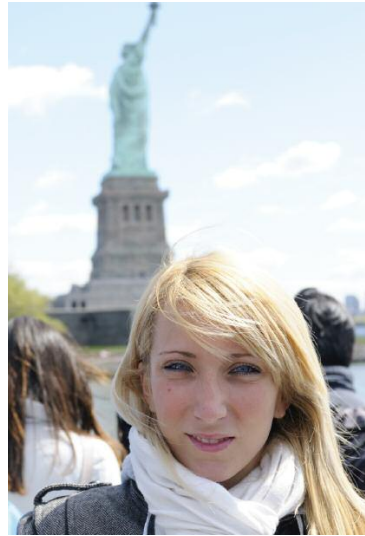

# ISIS Student Tours is one of the largest independent and most respected educational travel companies in the UK.

## We are passionate about student tours

A study tour is more than just about getting out of the lecture hall. It's a great chance to bond with the students in a relaxed environment. With decades of experience organising tours, we truly understand the needs of academics, administrators, students and group leaders. We're widely respected amongst UK colleges and universities as an honest, flexible travel company, always willing to go 'that extra mile' to ensure that you and your students have an unforgettable experience.

Featured destinations in the guide give a taster but please contact us and we'll be pleased to share our experience, knowledge and honest recommendations.

Our friendly team will provide you with the best customer care and a seamless service.

## Create your perfect tour with ISIS

We tailor-make our trips to very specific needs of a particular course or group, helping to bring your ideas and lessons to life. We'll guide you through the planning process to create an unforgettable tour that will inspire your students and enrich their studies.

Our tours are flexible, often combining disciplines allowing smaller groups the opportunity to join with other subject areas and year groups to keep costs down.

## Safe in our hands

Book your study tour with ISIS Student Tours and we'll look after you every step of the way. We are a member of ABTA and hold an ATOL licence, so you can book with confidence, knowing that our tours are financially protected.

Senior Managers are on hand to provide 24 hour support during your tour and our trusted local partners around the world can provide 'on the spot' assistance and advice.

## Less red tape

Your safety is our priority. We carry out stringent health and safety checks on our accommodations, transport and visits, helping you to meet your due diligence. Booking your study tour with ISIS can help reduce the amount of external paperwork that is sometimes necessary.

## First class partners

We work with the world's leading scheduled and 'no frills' airlines.

Our coach partners comply with national laws and understand the needs of university and college groups.

#### Brochure information

We have taken every reasonable precaution to ensure that the information and guide prices featured in this brochure are accurate before going to print. However, sometimes errors can be overlooked. We will provide a detailed quotation and your final tour price will be confirmed on receipt of the completed Booking Form. The coach guide prices shown in the brochure are based on a minimum of 44 paying students travelling during the winter season (exc: half-terms and holidays). The air guide prices are based on an average fare offered in January 2014 and a minimum of 45 paying students. Itineraries are subject to change.
