*Tambov State University –
University of your opportunities*

Tambov

- Tambov was found in 1636.
- Is located in 460 km south of Moscow.
- Travel time from Moscow to Tambov:
 - ❖ 1 hour by plane
 - ❖ 7 hours by bus
 - ❖ 9 hours by train

- In 2013 Tambov was announced to be the most ecologically-clean city in whole Russia.
- Population is more than 300 000 of citizens.

City's infrastructure

Administration of Tambov Region pays great attention to modern infrastructure, presented by system of financial, insurance and telecommunication services, well-developed transport domain, large trade network, sport and entertainment companies.

Tambov citizens can travel across the city by buses or trolley buses:

- ✓ 0, 15\$ for one trip by bus to any part of the city.
- ✓ ~1,5\$ by taxi.

Average student's expenses per month:
200-250\$: *food/ supermarkets/ restaurants*
40\$: *taxi two times a day during a month*
100\$ per a person in order to rent an apartments in the city center (optionally)

There are plenty of cafes, restaurants with home cuisine as well as fast food restaurants (McDonald's, Subway etc.) in Tambov.

Average cost of dinner is 4-6\$.

Students have great opportunity to do sports: there are 385 sports facilities located on the territory of the University, including stadiums, gyms, swimming pools, skiing lodges, public parks.

In order to improve students physical form and help them participate in sports events, there is a athletic club opened at Tambov State University.

Tambov State University was found in 1843 initially known as Aleksandrinsky Institute

Aleksandrinsky School for Noble Maidens
1843

Tambov State University named after G.R.Derzhavin
