I think that this has been one of my best experiences in my whole life! Everything was perfect!

In addition, I must mention my English Teacher David who added something special to our days here.

I will never forget those days here. Thank you for all.

4.7

Google average rating (out of 5) ★★★★★

**Maurizio Colombo**

I took part in the study holiday from 08/10/2022 to 08/24/2022. All organized down to the smallest detail, very interesting and complete excursions (perhaps carried out just a little in a hurry).

The hours of lessons we did with the fantastic David were very interesting and useful. Thanks for this great ES Dubai experience! And thank you David for what you taught us!

**Yoshida Satake**

It was a great experience, I enjoyed every single thing and I'd do it all again!

**Askhat Zhumanov**

Excellent services, you learn fast!!!

**Ana Dobrowski**

It was a very interesting experience and of course memorable. The teachers are fantastic and the University too, full of everything you need.

The residence was cool (I really like the hall with all that game to play) ;)

**Andrea Ayala**

Good teacher, good place, good friends!!! I'll never forget ES Dubai.

**Giulia Cattaneo**

Nancy is THE BEST teacher I have ever met in my life. She really loves teaching and you can see it every time you walk into one of her classes. In 10 days I learned the basics of Arabic while having a lot of fun and without any judgment when I made mistakes.

I would definitely recommend ES Dubai to anyone who likes to experience different cultures and learn.
