Dedicated student success mentors ensure the students get all the help that is needed along their journey and the placement department ensures a high employability quotient amongst the graduates.

Britts Imperial University College draws upon global best practices of pedagogy in online and on-campus learning, that results in providing an interactive peer-to-peer learning environment, developing advanced research capabilities and encourages students to work while they study to gain practical hands-on skills needed for employability.

Through a broader choice of carefully designed majors in the disciplines of International Business, Hospitality Management, Data Analytics & A.I., I.T Project Management, Events Management, Sports Management, Healthcare Management etc. Britts Imperial University College ensures the students are Job Ready with the new age skills that the Industry demands. International Industry Faculty and student diversity of 47 nationalities coupled with internationally accredited degrees from reputed top ranked global universities with options of global mobility makes Britts Imperial University College a truly global platform for fulfilling students' global aspirations and ambitions.

Britts Imperial University College stands proudly and will continue to be a beacon of excellence in higher education, with a determinedly international outlook, for generations to come.

CAMPUS

Based in the heart of Sharjah, the 3rd largest Emirate in the UAE, also known as the Cultural capital of the country, Britts Imperial University College offers a Vibrant and Multicultural campus with students from more than 47 different countries. State of the art campus in the vicinity of University City Sharjah.

OUR VISION

Britts Imperial University College epitomises transformation of society by empowering individuals through the magic of New Age Higher Education. We envision a community of Alumni of Britts Imperial, who will lead the new industrial revolution and channelise their ambition to shape a better world. Our vision is to be that premier institution of higher education and research that transforms Global Learners into Global Leaders.

OUR MISSION

Our “MISSION” is to provide learners a platform to earn Globally accredited and acclaimed qualifications in futuristic fields coupled with practical skills which will shape the new world order. We are on a mission to make these reputable quality Global Degrees, affordable, flexible and achievable for the learners. We value the role of experiential learning and real world skills to make the learners Industry-ready. We strive to provide Global Diversity for the best peer learning environment and Global Mobility for empowering talented individuals to cross the borders of adversity into the lands of opportunity.

OUR VALUES

Quality Excellence

We strive for higher quality of curriculum, knowledge and industry expert faculties to drive excellence in research and higher education. We always partner with Universities of high repute, rankings and accreditations to offer Degrees that are globally accepted.

Relevance & New Age

We strive to keep the qualifications updated with the latest industry trends and ensure the right skills in demand are identified and imparted through the mode of higher education and research.

Flexibility & Support

We adapt to the new trends in technology and usher in flexible modes of delivery and learning to support the learners who do more than just learning - working while learning. We structure the financial support for learners with scholarships, funding options and flexible payment plans.

Global Diversity & Global Mobility

We value the importance of opportunity to cross barriers and showcase talent to those who welcome talent. Hence we strive to create a platform for global mobility of our learners across campuses across continents with the power of transnational educational partnerships and progressions.

Integrity & Compassion

We pursue the quality of being honest, ethical and truthful. We seek to nurture compassion, embody social justice, help and empower others to make a difference in the world.

Innovation & Entrepreneurship

We are committed to creating an environment that fosters innovation, creativity, and an entrepreneurial spirit amongst our learners.

BRITTS IMPERIAL UNIVERSITY COLLEGE

“

Life at Britts Imperial University College is all about learning through experiences.

”

Britts Imperial University College, like most of the institutions of academic excellence in the region, offer avenues for professional qualifications with reputed universities and awarding bodies around the globe. The similarity and comparison ends here.

We have been in pursuit of professional grooming of our students beyond the academic frontiers as well. We have built a dream with a passionate team to enhance the experience of our students and prepare them in the best ways we can to face the highly competitive world of opportunities.

We believe that there should be no barriers to brilliance. We enable students from every background to gain the skills and self-confidence they need to become the best versions of themselves.

Bringing learning and social activities together is high on the agenda at Britts Imperial University College UAE.

STUDENTS LIFE AT BRITTS IMPERIAL UNIVERSITY COLLEGE

“

MR. AAYUSH
Nepal
BBA in Hospitality Management

The reason I choose Britts Imperial University College, it's like it's more financially affordable, all the team members, all the crew of the college will help you out in growing in personally and in professional way too. The people around here you will find really good and friendly-natured people, it will bring, like positive attitudes towards them and in your own self. It's really good to be the part of the Britts Imperial family.

”

“

MS. MICAH
Philippines
BSc in Business Management

Studying here has helped me vast my knowledge and experience in academic learning. I am so thankful to have such loving teachers who always support us and not give up on us when it comes to our education. I recommend this college to the future students who really want to learn more about the courses
