

# Free Education at Russian Universities

This is for you if:

- ✓ You are a citizen of a foreign country
- ✓ You have a school certificate or a diploma
- ✓ You are between 16 and 35 years old
- ✓ You know at least some Russian or English

We handle it all

- 📌 On-time, error-free application
- 📌 Smart matching: universities and majors
- 📌 All documents handled
- 📌 Real support, every step

What you get:

- 🎯 admission to a Russian university and support at every step

You can choose an option with **a full admission guarantee to a state-funded seat** —  If you don't get admitted, your money is refunded.

| What's Included                                           | Basic ( <del>\$2000</del> \$1400)                                                     | Premium (\$5000/7000)*                                                                |
|-----------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Document preparation                                      |    |    |
| Registration and submission                               |    |    |
| Consultations and support                                 |   |   |
| Translations, notary services                             |  |  |
| Admission guarantee                                       |  |  |
| Refund in case of rejection                               |  |  |
| 50/50 option – second half after receiving the invitation |  |  |

## 💡 Why Apply with Us?

Universities have limited quotas — don't miss your chance

Many submit incorrectly and get rejected at the application stage — we do everything right

Without us — you're guessing. With us — you have an experienced guide
